RELEVANT EXPERIENCE

Terry Idea Accelerator, UGA Entrepreneurship Program

Fall 2026 Cohort, Selected Venture: Ghill

Athens, GA
August 2026 - Present

- Selected to develop Ghill in Terry's semester-long startup accelerator alongside other student founders
- Pressure-test Ghill's business model, pricing, and go-to-market plan with Terry faculty and mentors
- Building toward the cohort's end-of-semester Demo Day pitch competition in front of judges and investors

Anthropic, Claude Builder Club at UGA

Claude Campus Ambassador

Athens, GA
September 2026 - Present

- Selected through interviews for Anthropic's paid program to represent Claude (Anthropic's AI model) at UGA
- Founding UGA's Claude Builder Club with biweekly meetings, build hours, speakers, and a spring hackathon
- Lead hands-on technical workshops and outreach to student groups to get students building with Claude Code

Ghill (ghill.app)

Co-Founder

Athens, GA
April 2026 - Present

- Launched a chapter platform (web and iOS TestFlight) for member management, messaging, elections, and forms
- Ship features with AI coding agents (Claude Code and Codex): write specs, test output, and own releases
- Work alongside a two-person executive team, setting technical direction and release scope

AIRMI News (airminews.com)

Founder & Editor

Atlanta, GA
March 2026 - Present

- Publish a weekly newsletter on how AI is reshaping insurance and risk; research, write, and send every issue solo
- Grew readership through organic LinkedIn posting and direct outreach to insurtech and risk professionals
- Built the full publishing pipeline on Beehiiv, from landing page and signup flow to send schedule and analytics
